The Garden Bar will be introduced on the first day of school and be offered on a daily basis.

WE NEED YOUR HELP TO MAKE THIS WORK SMOOTHLY!

When you receive the August/September menu, please review the new menu choices with your child(ren). If your child(ren) plans to eat lunch at school please encourage them to decide which entrée they will select before entering the school lunch room. This will help the lunch line to move swiftly and allow students ample time to eat.

Thank you for talking about the new menu with your child(ren). Healthy meals are linked to educational success! If you have any questions please call the Food Service Office at 630-384-3690.
