Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for schools providing Title I services be reported to the general public. Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3, 4, 5, 7, and 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to students in state-approved transitional bilingual programs. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the

Students with disabilities have an IEP or Section 504 Plan. An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act. A Section 504 Plan is developed to provide reasonable accommodations for a child who meets the definition of a qualified person with a disability under Section 504 of the Rehabilitation Act of 1973.

In order to protect students' identities, test data for groups of fewer than five students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning -** Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards -** Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards -** Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards -** Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Dear Bower Parents,

Each year a Bower team, made up of teachers, specialists, and the principal, is created to develop a School Improvement Plan. This School Improvement Plan (SIP) is designed specifically for Bower.

The School Improvement Team reviews several sources of data as they develop this plan. The Illinois Standards Assessment Test (ISAT) is given in the spring of the year to third, fourth, and fifth grades. This test assesses the areas of reading, math, writing, social studies, and science. The Terra Nova is another standardized achievement test that is given in the fall each year. The committee uses the data from this test to assist in developing the School Improvement Plan.

After the committee reviewed the available data for this year, they identified one major goal for our school. This goal states that 80% of the third and fifth grade students at Bower will meet and/or exceed state standards in writing as measured by the 2003 ISATs.

As a staff, we have identified several strategies that we will put in place to help us move towards this goal. These strategies are designed to improve instruction and increase student learning as it relates to writing.

On Tuesday, October 22nd at 7:00 P.M. in the Bower teacher lounge Carolyn Wondrow will be conducting an informational meeting related to ISAT writing and the goals established by Bower.

Thank you for your interest and participation in your child's education. Please call if you have any questions or concerns.

Sincerely,

Kevin Kane
Principal
