SCHOOL
REPORT
CARD**

GRADES: K 1 2 3 4 5

State and federal laws require public school districts to release school report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	80.5	7.8	6.0	5.7	0.0	13.5	0.2		0.0	10.6	96.0	513
District	83.6	5.1	6.5	4.8	0.1	8.4	1.5		0.4	10.0	95.5	14,301
State	59.3	20.8	16.2	3.5	0.2	37.5	6.7		2.0	16.5	94.0	2,029,821

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

* Data based on preliminary NCLB definitions.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

District	\$134,012	4.74	\$4,616	\$7,782
State	**	**	\$4,667	\$7,926

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. These performance measures include only those test scores for the grades and subjects included in your school.

2001-02 OVERALL PERFORMANCE - ALL STATE TESTS

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

OVERALL ILLINOIS MEASURE OF ANNUAL GROWTH IN ENGLISH (IMAGE) PERFORMANCE 2001-02

IMAGE scores in the Expanding and Transitioning performance levels count the same, respectively, as scores on other state assessments that meet or exceed Standards.

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

Grade 3

Grade 4

Grade 5

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for schools providing Title I services be reported to the general public. Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3, 4, 5, 7, and 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to students in state-approved transitional bilingual programs. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the

Students with disabilities have an IEP or Section 504 Plan. An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act. A Section 504 Plan is developed to provide reasonable accommodations for a child who meets the definition of a qualified person with a disability under Section 504 of the Rehabilitation Act of 1973.

In order to protect students' identities, test data for groups of fewer than five students are not reported.

* Enrollment on the first day of state testing.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning** - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards** - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards** - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards** - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

How does Madison School Write Its School Improvement Plan?

What happens with all of those scores?

There are two main uses for the ISAT / Terra Nova scores.

- ◆ We utilize them as a “snapshot” of each child’s strengths and weaknesses. Teachers challenge, instruct, or provide extra support for individual students based on the information available.
- ◆ We also use the data provided by the ISAT and other assessments, including local assessments and the Terra Nova, to write our School Improvement Plan. Our current plan has goals pertaining to reading, writing, and math.

Mathematics Problem Solving

In 2002, we surpassed the district average for Math ISAT, which is composed entirely of problem solving tasks, with 91% of the students scoring at or above state standards.

In order to maintain our level of achievement and take some of the pressure off of students in the “ISAT Grades,” our School Improvement Plan outlines a school-wide effort to develop children’s’ problem-solving skills through the consistent teaching of vocabulary and strategies.

Students learn to read a problem for understanding, decide which key strategy to use, solve the problem accurately, and write a response that includes the answer, the strategy they used, and the steps they took to solve the problem.

Writing

Writing has historically been another strength at Madison, but in 2002 there was a significant drop statewide in fifth grade writing scores on the ISAT. Our third grade scores remained high, with 91% of students meeting or exceeding standards. In fifth grade, only 73% met the state standards, bringing the percentage of students in our school meeting or exceeding standards to 82%. Our district will be providing teachers with staff development regarding any trends in the state writing standards.

In order for fifth grade students to write a cohesive five-paragraph essay with specific details, rich vocabulary, and natural transitions, the foundation must be laid from first grade through fourth grade.

Writing will be taught and assessed in a systematic manner in first through fifth grades. The students will receive more continuity as their instruction is spiraled from grade to grade. Each grade level will teach writing using the persuasive, expository, and narrative formats found in the state standards.

Reading

Approximately 83% of Madison students met or exceeded the state standards for reading on ISAT in 2002. This is a 3% improvement over 2001, and we are working hard to continue this momentum.

Our goal is that 85% of Madison students will meet or exceed the state standards in reading. This reflects adequate yearly progress (AYP) as defined by the *No Child Left Behind* legislation.

To this end, all primary classrooms are devoting a portion of each day to specific skill instruction (ie: phonemic awareness, phonics, and word study). Intermediate classrooms are tailoring instruction so that each child is reading and studying vocabulary at his or her instructional level. Specialist support is being utilized to facilitate these goals at all levels.
