REPORT
CARD**

GRADES : 6 7 8

State and federal laws require public school districts to release report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	87.8	3.3	5.2	3.6	0.0	0.1	9.6	0.0		0.0	4.5	94.7	788
District	80.1	5.7	8.6	4.2	0.1	1.4	15.2	5.1		0.6	8.0	94.0	13,920
State	56.7	20.3	18.3	3.7	0.2	0.7	40.0	6.6		2.2	16.1	93.9	2,062,912

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2003-04 (Percentages)

REVENUE BY SOURCE 2003-04				EXPENDITURE BY FUND 2003-04			
	District	District %	State %		District	District %	State %

OTHER FINANCIAL INDICATORS				
	2002 Equalized Assessed Valuation per Pupil	2002 Total School Tax Rate per \$100	2003-04 Instructional Expenditure per Pupil	2003-04 Operating Expenditure per Pupil
District	\$161,389	4.36	\$5,556	\$9,133
State	**	**	\$5,216	\$8,786

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. These performance measures include only those test scores for the grades and subjects (reading, mathematics and science) included in your school. The results for 2003-04 were recalculated to reflect only reading, mathematics and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

ISAT Grade 7

ISAT Grade 8

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3, 4, 5, 7, and 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to students in state-approved transitional bilingual programs. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

LEP														
Students with Disabilities														
Economically Disadvantaged														

Four Conditions Are Required For Making Adequate Yearly Progress (AYP)

1. At least 95.0% tested for Reading and Mathematics for the All Group and Subgroups. If the current year's participation rates are less than 95%, the participation rate for AYP will be considered sufficient if the average of the current year and the preceding year is at least 95%, or if the average of the current year and the two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% but 'Met AYP' is 'Yes', it means the 95% condition was met by averaging.
2. At least 47.5% Meeting/Exceeding Standards for reading and mathematics for the All and each subgroup; for subgroups under the 47.5% Meeting/Exceeding requirement, a 95% confidence interval has been applied; or meet Safe Harbor requirements.***
3. For those schools not making AYP because of the IEP subgroup only, 14% was added to the percent Meeting/Exceeding Standards for this subgroup to calculate AYP as provided by the new federal 2% flexibility.
4. At least 89.0% Attendance Rate for non-high schools or at least 67.0% Graduation Rate for high schools

* Includes only students enrolled as of 9/30/2004.

** Safe Harbor Targets of 47.5% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe harbor only applies to subgroups of 45 or more. In order for safe harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. Safe harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

Edison's School Improvement Team is comprised of representatives from each content area, administrators, a guidance counselor and special education teachers. This team reviews ISAT data from the past 4 years and identifies trends as it collectively plans for continued academic growth at our school. Our faculty also participated in a Data Retreat, reviewed ISAT data and noted content specific trends. At that time, academic departments identified effective strategies for inclusion in our School Improvement Plan.

Target Areas for Student Improvement and Measures of Achievement:

- Enhancing and expanding current methods of instruction (via Professional Development and Differentiation) will adequately improve performance in Mathematics and Reading scores of Economically Disadvantaged, Students With Disabilities, Black Non-Hispanic and Hispanic subgroups by 5% as measured by ISAT. All additional subgroups will continue to improve adequately per AYP.

Rationale for Target Selection:

- Although all subgroups at Edison Middle School currently meet or exceed AYP expectations, scores indicate that achievement of: Economically Disadvantaged, Students With Disabilities, Black Non-Hispanic and Hispanic subgroups fall significantly below that of the majority of our student population, White Non-Hispanic. Therefore, it has become our mission to work to raise the scores of these 4 subgroups by 5% to meet the level accomplished by our largest subgroup.

Strategies for Improvement:

- Identification of students who did not meet or exceed on ISAT.
- Familiarize all teachers and students with the Illinois Assessment Frameworks.
- Articulation presented by the Special Education teachers.
- Reading Specialists visit classrooms to model effective test taking strategies.
- Professional Book Club: Ruby Payne's, Understanding the Framework of Poverty
- Utilization of *Inspiration* as a technological tool for differentiating instruction.
- Weekly ISAT Mathematics and Reading Extended Response practice for students.
- Basic Mathematics skill reinforcement and remediation via Computer Lab.
- Classroom Instruction that Works "Build-A-Binder" campaign.
- Encouraging Vocabulary Development via Word Stem Study in Language Arts.
- Student and teacher Non-Fiction (ISAT Informational Sources) Reading training.
- Professional Development activities built upon teacher needs/interests in efforts.

Professional Development Opportunities:

- A learning community exists at Edison as professional development is continuous and frequently takes place both formally and informally within our building.
- Faculty Data Retreat
- ISAT / Illinois Assessment Framework Inservice
- Professional Book Club
- Non-Fiction (Informational Sources) Reading Strategy Training
- ROE "Raising Student Achievement" Conference
- Special Education Articulation
