State and federal laws require public school districts to release report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	85.3	5.8	4.3	2.6	0.0	2.0	8.9	0.0		0.0	3.0	96.2	606
District	80.1	5.7	8.6	4.2	0.1	1.4	15.2	5.1		0.6	8.0	94.0	13,920
State	56.7	20.3	18.3	3.7	0.2	0.7	40.0	6.6		2.2	16.1	93.9	2,062,912

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2003-04 (Percentages)

	2002 Equalized Assessed Valuation per Pupil	2002 Total School Tax Rate per \$100	2003-04 Instructional Expenditure per Pupil	2003-04 Operating Expenditure per Pupil
District	\$161,389	4.36	\$5,556	\$9,133
State	**	**	\$5,216	\$8,786

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. These performance measures include only those test scores for the grades and subjects (reading, mathematics and science) included in your school. The results for 2003-04 were recalculated to reflect only reading, mathematics and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

ISAT Grade 3

ISAT Grade 4

ISAT Grade 5

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3, 4, 5, 7, and 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to students in state-approved transitional bilingual programs. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

2005 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this School making Adequate Yearly Progress (AYP)?	Yes
Is this School making AYP in Reading?	Yes
Is this School making AYP in Mathematics?	Yes

Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
2005-06 Federal Improvement Status	
2005-06 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP

LEP														
Students with Disabilities														
Economically Disadvantaged														

Four Conditions Are Required For Making Adequate Yearly Progress (AYP)

1. At least 95.0% tested for Reading and Mathematics for the All Group and Subgroups. If the current year's participation rates are less than 95%, the participation rate for AYP will be considered sufficient if the average of the current year and the preceding year is at least 95%, or if the average of the current year and the two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% but 'Met AYP' is 'Yes', it means the 95% condition was met by averaging.
2. At least 47.5% Meeting/Exceeding Standards for reading and mathematics for the All and each subgroup; for subgroups under the 47.5% Meeting/Exceeding requirement, a 95% confidence interval has been applied; or meet Safe Harbor requirements.***
3. For those schools not making AYP because of the IEP subgroup only, 14% was added to the percent Meeting/Exceeding Standards for this subgroup to calculate AYP as provided by the new federal 2% flexibility.
4. At least 89.0% Attendance Rate for non-high schools or at least 67.0% Graduation Rate for high schools

* Includes only students enrolled as of 9/30/2004.

** Safe Harbor Targets of 47.5% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe harbor only applies to subgroups of 45 or more. In order for safe harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. Safe harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

Based on your school's improvement plan, your school and district are providing information on areas of success and areas for planned improvement below. The information below is taken from Pleasant Hill's School Improvement Plan. A complete copy of the plan is available for parent review in the school office.

Target Areas for Student Improvement

As indicated by achievement data from assessments in the 2006 ISAT:

- The percent of 3rd grade students who will meet/exceed expectations in the content area of reading will increase by 2%
- The percent of 4th grade students who will meet/exceed expectations in the content area of reading will increase by 2% above 3rd grade scores from 2005
- The percent of 5th grade students who will meet/exceed expectations in the content area of reading will increase by 1% and those who exceed will increase by 2%
- The percent of 3rd grade students who will exceed expectations in the content area of math will increase by 1%
- The percent of 4th grade students who will exceed expectations in the content area of math will increase by 1% compared to 3rd grade scores from 2005
- The percent of 5th grade students who will exceed expectations in the content area of math will increase by 2%
- All identified subgroups will meet a minimum level of proficiency at 50% in both reading and math

Rationale for Target Selection

- On the 2005 ISAT Reading test, 85.6% of Pleasant Hill 3rd grade students and 89.6% of the 5th grade students scored in the meets/exceeds level. 3rd grade scores increased 7% and 5th grade scores increased 1% over 2004 results.
- On the 2005 ISAT Math test, 96.9% of Pleasant Hill 3rd grade students and 96.2% of the 5th grade students scored in the meets/exceeds level. 3rd grade scores increased 1.4% and 5th grade scores increased 3.4% over 2004 results.
- Continue to focus efforts to ensure that all student subgroups meet AYP.

Strategies for Improvement

- Use data analysis as the basis for determining appropriate instructional interventions and strategies in the areas of reading and math
- Identify the students with reading concerns and the instructional reading level of students by assessment and analysis of data
- Identify students with math concerns by assessment and analysis of data
- Continue to articulate, apply and assess reading and math activities used in classroom lessons

Professional Development Opportunities

- Building level professional development needs for staff will be based on analysis of assessment data to best meet the needs of Pleasant Hill students
- Building in-service days, staff meetings, and team meetings will be devoted to working with teachers on reading and math strategies in identified areas
