**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**INSTRUCTIONAL SETTING**

**PARENTAL CONTACT\***

	Percent
<b>School</b>	97.8

**TEACHER INFORMATION (Full-Time Equivalents)**

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Male	Female	Total Number
District	96.9	0.7	1.3	1.0	0.1	23.5	76.5	868
State	84.9	9.2	4.6	1.2	0.2	23.1	76.9	127,010

**TEACHER INFORMATION (Continued)**

	Average Teaching Experience (Years)	% of Teachers with Bachelor's Degrees	% of Teachers with Master's & Above	% of Teachers with Emergency or Provisional Credentials	% of Classes Not Taught by Highly Qualified Teachers
School	--	--	--	3.3	0.0
District	11.6	30.5	69.4	1.5	0.0
State	13.0	49.3	50.6	1.6	1.4

Some teacher/administrator data are not collected at the school level.

**SCHOOL DISTRICT FINANCES**

**TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)**

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

**EXPENDITURE BY FUNCTION 2004-05 (Percentages)**

REVENUE BY SOURCE 2004-05				EXPENDITURE BY FUND 2004-05			
	District	District %	State %		District	District %	State %
Local Property Taxes	\$100,545,164	74.8	58.2	Education	\$103,237,452	58.6	72.2

OTHER FINANCIAL INDICATORS				
	2003 Equalized Assessed Valuation per Pupil	2003 Total School Tax Rate per \$100	2004-05 Instructional Expenditure per Pupil	2004-05 Operating Expenditure per Pupil
District	\$176,614	4.31	\$5,701	\$9,683
State	**	**	\$5,366	\$9,099

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics and science.

Caution: Data for 2004-05 should not be compared to data for 2005-06 because substantial changes were made to the state test in 2005-06 when testing in reading and mathematics was expanded to include all grades from grade 3 through grade 8. In 2004-05, such testing was limited only to selected grades. Although there were no changes in high school testing, data in high school report cards at the state level ( and also at the district level for unit districts) are not comparable between the two years because of changes in elementary school testing mentioned above.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**OVERALL ILLINOIS MEASURE OF ANNUAL GROWTH IN ENGLISH (IMAGE) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT. Data for 2004-05 in reading and mathematics for grades 4, 6, and 7 are not available because testing in these subjects for these grades began in 2005-06.

ISAT Grade 5

**PERFORMANCE ON STATE ASSESSMENTS**

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

**PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS**

		Gender			Racial/Ethnic Background						LEP	Migrant	Students with Disabilities	Economically Disadvantaged

\* Enrollment as reported during the testing windows.

**ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)**

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

**ILLINOIS MEASURE OF ANNUAL GROWTH IN ENGLISH (IMAGE)**

Students enrolled in state-approved transitional bilingual programs for less than three years take IMAGE if they are unable to take ISAT/PSAE due to their lack of proficiency in English. The table below presents IMAGE results for these students. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

		Reading	Mathematics
Level 1 --Academic Warning -	Students at this level begin to read and understand short, simple text supported by illustrations or personal experiences. Students begin to communicate ideas in writing through word lists, phrases, or simple sentences.		Students work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
Level 2 --Below Standards -	Students at this level read and understand simple text supported by illustrations or personal experiences. Students maintain a focus in writing through simple or repetitive language.		Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
Level 3 -- Meets Standards -	Students at this level read text with increasing understanding of abstract and/or unfamiliar content. Students communicate ideas in writing with increased detail, organization, and variety of language.		Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
Level 4 --Exceeds Standards -	Students at this level read and understand an increasingly broad range of materials required for academic success. Students communicate ideas with control of language and writing features required for academic success.		Student work demonstrates advanced knowledge and skills in the subject. Student creatively apply knowledge and skills to solve problems and evaluate the results.

## 2006 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	Yes	2006-07 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2006-07 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP
<b>State AYP Minimum Target</b>	95.0		95.0		47.5			47.5			89.0		69.0	
All	100.0	Yes	100.0	Yes	89.7		Yes	92.0		Yes	96.3	Yes		
White	100.0	Yes	100.0	Yes	92.6		Yes	93.9		Yes				
Black														
Hispanic														
Asian/Pacific Islander														
Native American														
Multiracial /Ethnic														
LEP														
Students with Disabilities														
Economically Disadvantaged	100.0	Yes	100.0	Yes										

The four conditions for making Adequate Yearly Progress (AYP) are:

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 47.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 47.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. For schools not making AYP solely because the IEP group fails to have 47.5% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 89% attendance rate for non-high schools and at least 69% graduation rate for high schools.

\* Includes only students enrolled as of 5/01/2005.

\*\* Safe Harbor Targets of 47.5% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

## **PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT**

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

**LINCOLN SCHOOL  
SCHOOL IMPROVEMENT PLAN  
2006-07**

Based on the 2006 ISAT and IMAGE data, Lincoln School continues to make progress in Reading and Math. We set high expectations for our students, believing that all students can achieve at high levels. The information provided here is a brief summary of the goals included in the Lincoln School Improvement Plan for 2006-07.

**Target Areas for Student Improvement**

- In the area of reading, 92% of third, fourth, and fifth graders will meet or exceed state standards in reading as measured by the 2007 ISAT and IMAGE Reading tests. Special focus will continue to be given to vocabulary development, use of inferential strategies, written responses to reading, and collection of data to track student progress.
- In the area of math, 92% of third, fourth, and fifth graders will meet or exceed state standards in math as measured by the 2007 ISAT and IMAGE Math tests. Special focus will continue to be given to understanding math vocabulary and applying problem-solving strategies.

**Rationale for Target Selection**

- **READING:** 88% of third grade students, 90.5% of fourth grade students and 88.5% of fifth grade students met or exceeded state standards in 2006, reflecting 3.15% average improvement over 2005. Expanding students' vocabulary and improving their inferencing ability will result in improved reading comprehension as well as improvement in constructing a written response to reading.
- **MATH:** 88% of third grade students, 95.9% of fourth grade students and 91% of fifth grade students met or exceeded state standards in 2006, registering .5% average improvement over 2005. Continued emphasis on deepening understanding of math vocabulary will improve overall math achievement. Previous emphasis on problem solving has yielded improved scores, so we will continue to focus on problem solving strategies and students' ability to communicate their mathematical thinking.

**Strategies for Improvement**

- Using volunteers, a Fluency Lab will be established to increase third graders' rate of reading speed.
- A new process will be implemented to increase the availability and exchange of ideas related to intervention strategies to increase the success of at-risk students.
- All grade levels will continue to collect data from multiple sources including local assessments, Curriculum Based Measures and state assessments to identify at-risk students.
- An Extended Day Program will be offered to targeted students in grades three, four and five in the area of reading comprehension.
- School wide focus on expanding students' vocabulary will continue.

**Professional Development Opportunities**

- Teachers will participate in professional development opportunities provided by District 200 such as Inservice Days, workshops, and training sessions related to School Improvement Goals.
- Building funds allocated for staff development will be used to send teachers to out-of-District workshops related to School Improvement Goals. Information learned will be shared with the rest of the staff.
- Primary and Intermediate Council meetings will be devoted to discussions and sharing of ideas related to School Improvement Goals.
- In an effort to expand our learning community, the staff will participate in a professional book discussion group related to differentiating instruction to meet individual needs of students.
