REPORT
CARD**

GRADES : 6 7 8

State and federal laws require public school districts to release report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	77.0	8.4	7.2	4.4	0.0	3.0	19.2	0.0		0.7	10.8	95.6	677
District	77.7	6.4	9.6	4.1	0.0	2.3	16.9	5.7		0.9	9.8	95.1	13,597
State	54.9	19.6	19.3	3.8	0.2	2.2	40.9	7.2		2.5	15.2	93.7	2,077,856

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Some teacher/administrator data are not collected at the school level.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2005-06 (Percentages)

REVENUE BY SOURCE 2005-06				EXPENDITURE BY FUND 2005-06

	2004 Equalized Assessed Valuation per Pupil	2004 Total School Tax Rate per \$100	2005-06 Instructional Expenditure per Pupil	2005-06 Operating Expenditure per Pupil
District	\$190,562	4.14	\$5,934	\$9,996
State	**	**	\$5,567	\$9,488

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

ISAT Grade 6

ISAT Grade 7

ISAT Grade 8

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

2007 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	Yes	2007-08 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2007-08 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 55.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 55.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 55.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 72% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2006.

** Safe Harbor Targets of 55.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Franklin Middle School
School Report Card Letter

The plan for improving student achievement at Franklin Middle School has been developed by the staff and faculty and is grounded in the mission of District 200, "*Inspiring in everyone a passion to excel*". It includes a careful analysis of data which identifies areas of strength as well as areas in need of improvement.

Target Area for Student Improvement

- A minimum of 62.5% of students in each subgroup will meet or exceed standards in math. Math achievement will improve by 5% for all subgroups.
- A minimum of 62.5% of students in each subgroup will meet or exceed standards in reading. Reading achievement will improve by 5% for all subgroups.

Rationale for Target Selection

The administration and faculty of Franklin Middle School reviewed and analyzed the 2007 Illinois Standards Achievement Test data and scores. The following findings were the rationale for the 2007-2008 school improvement plans:

- The percent of students meeting or exceeding standards for both reading and math in all identified groups reached, and in many cases exceeded, the minimum performance target for adequate yearly progress.
- The achievement gap among identified tested subgroups remains significant.
- The data support interventions in the areas of reading and math for students with special needs.

Strategies for Improvement

- Provide guided practice for students on multiple choice items;
- Increase practice on problem solving assignments and activities;
- Provide identified students with additional time and support in math and/or reading;
- Explore scheduling options to create more appropriate math and reading interventions to identified students;
- Model research-based and best-practice instructional strategies for all students.

Professional Development

- Staff will develop a basic understanding of the "Understanding by Design" lesson development process. This will help teachers identify desired accomplishments, determine acceptable evidence of learning, and plan learning experiences and instruction.
- Provide training for math teachers to integrate more hands-on and motivating activities in order to meet the needs of a diverse student population.
