REPORT
CARD

GRADES : K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	62.5	11.9	16.1	5.3	0.0	4.2	33.7	18.9		0.0	23.0	95.8	285
District	77.7	6.4	9.6	4.1	0.0	2.3	16.9	5.7		0.9	9.8	95.1	13,597
State	54.9	19.6	19.3	3.8	0.2	2.2	40.9	7.2		2.5	15.2	93.7	2,077,856

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

State	12.9	47.6	52.3	1.5	3.2

Some teacher/administrator data are not collected at the school level.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2005-06 (Percentages)

REVENUE BY SOURCE 2005-06				EXPENDITURE BY FUND 2005-06			
	District	District %	State %		District	District %	State %
Local Property Taxes	\$103,658,526	74.0	58.8	Education	\$106,607,192	68.7	73.0

OTHER FINANCIAL INDICATORS				
	2004 Equalized Assessed Valuation per Pupil	2004 Total School Tax Rate per \$100	2005-06 Instructional Expenditure per Pupil	2005-06 Operating Expenditure per Pupil
District	\$190,562	4.14	\$5,934	\$9,996
State	**	**	\$5,567	\$9,488

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

OVERALL ILLINOIS MEASURE OF ANNUAL GROWTH IN ENGLISH (IMAGE) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

Grade 5

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

ILLINOIS MEASURE OF ANNUAL GROWTH IN ENGLISH (IMAGE)

Students enrolled in state-approved transitional bilingual programs for less than three years take IMAGE if they are unable to take ISAT/PSAE due to their lack of proficiency in English. The table below presents IMAGE results for these students. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 --Academic Warning - Students work demonstrates limited knowledge and skills in the subject. Due to major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 --Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 --Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Student creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 55.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 55.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 55.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 72% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2006.

** Safe Harbor Targets of 55.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Dear Hawthorne School Families,

During the beginning months of the 2007-2008 school year, the Hawthorne School Staff participated in a number of activities to generate goals for our students. This school year, we were able to secure student scores in a timely fashion which enabled our staff to begin our school improvement activities. The results of the March 2007 state assessments for students in grades 3, 4, and 5 showed:

- *87.7% of students met or exceeded standards on state assessments in reading.*
- *90.2% of students met or exceeded standards on state assessments in math.*

While our expectations for students continue to be high, we realize that there are areas in which we can improve. Through our staff discussions and a critical look at the data which is provided by the Illinois State Board of Education which include the Illinois Standards Achievement Tests (ISAT), the Illinois Measure of Annual Growth in English (IMAGE), and the Illinois Alternative Assessment, (IAA) we generated the following goal areas to be addressed in our School Improvement Plan. Please note that all staff members at Hawthorne School are members of our School Improvement Team.

Target Areas for Student Improvement and Measures of Achievement

- *The reading performance of all tested students will improve by 2% as measured by 2008 state assessments.*
- *The math performance of all tested students will improve by 2% as measured by 2008 state assessments.*

Rational for Target Selection

- The goals for our reading and math areas are based on increases in the meets/exceeds categories in the areas of reading and math for our students in grades 3, 4, 5 and state assessment data showing a need for improvement in the area of reading and mathematics for students with a second language as well as improvement in reading for our special education students.

Strategies for Improvement

- Examine building level test score data to determine performance levels of students in the areas of reading and math.
- Provide and participate in professional development activities in the areas of reading and math.
- Continue to implement building-wide reading and math extended response activities.
- Provide opportunities to support students through active parent involvement

Professional Development Opportunities

- Attendance at professional development activities in the areas of reading and math sponsored by the DuPage County Regional Office of Education.
- Attendance at professional development activities in the areas of reading and math instruction offered by CUSD 200.
- Utilize staff member expertise in the areas of reading and math as school-wide activities are developed and implemented.
- Provide in-service opportunities in differentiated instruction by District 200 and by the Illinois Resource Center.

It is our hope that through these efforts, we will make continued improvements in the areas of reading and mathematics. We also know that parental support is an important part of the success of our students. Together we will continue to make great strides in the lives of our students.

Sincerely,

John Patterson, Principal
