REPORT
CARD

GRADES : K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION													
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	89.7	1.5	1.8	3.9	0.0	3.1	2.0	0.0		0.0	5.0	96.4	457
District	77.7	6.4	9.6	4.1	0.0	2.3	16.9	5.7		0.9	9.8	95.1	13,597
State	54.9	19.6	19.3	3.8	0.2	2.2	40.9	7.2		2.5	15.2	93.7	2,077,856

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil- Teacher Elementary	Pupil- Teacher Secondary	Pupil- Certified Staff	Pupil- Administrator
School	100.0	--	--	--	--
District	98.3	17.9	20.2	12.9	274.0
State	96.1	18.8	18.8	13.9	230.6

* Parental contact includes parent-teacher conferences, parental visits to school, school visits to home, telephone conversations, and written correspondence.

AVERAGE CLASS SIZE (as of the first school day in May)

District	12.2	25.4	74.5	0.7	0.0
State	12.9	47.6	52.3	1.5	3.2

Some teacher/administrator data are not collected at the school level.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2005-06 (Percentages)

REVENUE BY SOURCE 2005-06				EXPENDITURE BY FUND 2005-06			
	District	District %	State %		District	District %	State %
Local Property Taxes	\$103,658,526	74.0	58.8	Education	\$106,607,192	68.7	73.0

OTHER FINANCIAL INDICATORS				
	2004 Equalized Assessed Valuation per Pupil	2004 Total School Tax Rate per \$100	2005-06 Instructional Expenditure per Pupil	2005-06 Operating Expenditure per Pupil
District	\$190,562	4.14	\$5,934	\$9,996
State	**	**	\$5,567	\$9,488

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

Grade 5

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 55.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 55.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 55.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 72% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2006.

** Safe Harbor Targets of 55.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Wiesbrook School Improvement Plan Addendum

Target Area for Student Improvement

Specific areas of student learning, attitude or behavior are targeted for improvement as a result of an analysis of school demographic and test data. For example:

- Increase the average score of 3rd, 4th, and 5th grade students on the Illinois Standards Achievement Test (ISAT) in explanation on the math extended response from 3.1 to at least 3.5 out of a possible 4.
- Raise the average geometry score of 3rd, 4th, and 5th grade students on the ISAT from 78% to at least 80%.
- Increase the percentage of 3rd, 4th, and 5th grade students' scoring meets or exceeds in reading from 93.9% to 95% as measured by the (ISAT).
- Increase community, faculty, and student awareness and involvement in creating a safe and secure learning environment.

Rationale for Target Selection

The school improvement team, consisting of staff and parents, determined the target areas based on analysis of test scores from ISATs and local assessments.

In the area of math, geometry test scores and extended response scores in explanation were targeted.

- 71% of 3rd grade students, 59% of 4th grade students, and 70% of 5th grade students received a score of 3 or 4 in explanation on the math extended response questions on the ISAT.
- The average score of 3rd, 4th, and 5th grade students was 78% in geometry on the ISAT.

In reading, our target is to increase the percentage of students scoring meets or exceeds on the 2008 ISATs.

- 93.1% of 3rd graders scored meets or exceeds which is an increase of 2.8% from the 2006 ISATs.
- In 4th grade, 92.2% of students scored meets or exceeds compared to 97.4% in 2006.
- In 5th grade, 96% of students scored meets or exceeds as compared to 97.4% in 2006.

Strategies For Improvement

Strategies are specific activities and actions that are expected to result in the achievement of the improvement targets.

- In math, students will participate in peer evaluation of practice items using the ISAT rubric.
- Students will continue to have instruction in using graphic organizers for extended responses; specifically targeting our students who have an Individualized Education Plan (IEP) and our English Language Learners (ELL) populations.

- Work with cross grade level buddy classes to create a common math (geometry) vocabulary to be used across all school settings.
- Integrate more technology into the classrooms when working with geometry skills.
- In reading, students will be instructed and given more practice using inferencing skills when reading functional passages.
- Practice will be given using extended response questions from reading basals and leveled stories.
- At-risk students will be identified and monitored using AIMS web, benchmarking, and progress monitoring.
- In writing, students will continue to be instructed in the use of graphic organizers and the 6+1 traits of writing.
- Students will work with cross grade level buddy classes to share writing.
- Vocabulary in both reading and writing will continue to be a school wide activity.
- School wide assemblies about bullying and the 3 school-wide rules: be safe, be responsible, and be respectful.
- Participation in safety drills (fire, severe weather, and lock down).
- Welcome Back Assembly with entire student body with a focus on our three school-wide rules that emphasize creating a safe and secure environment.
- Conduct safety meetings with parents regarding improving safety of students in our drop-off and pick-up zones.

Professional Development

Professional development opportunities will contribute to the achievement of the school improvement goals.

- Staff will participate in cross grade level scoring of extended response questions in both math and reading.
- Staff will attend district grade level meetings targeting reading, math, and writing strategies.
- A resource binder containing sample questions and anchor papers will be provided to all staff members.
- Staff development will also be provided on writing extended response questions in both reading and math.
- Building in-service days, staff meetings, and team meetings will be devoted to working with teachers on reading strategies, 6 + 1 Traits of Writing, modeling differentiated instruction as well as math extended response activities.
- Updating crisis plans and restructuring of crisis team.
- Review of general school safety with Wheaton Police and parents.
