

**Lincoln Elem School  
CUSD 200  
Wheaton, ILLINOIS**

**ILLINOIS  
SCHOOL  
REPORT  
CARD**

**GRADES : K 1 2 3 4 5**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

**RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION**

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
<b>School</b>	74.7	3.3	6.9	8.3	0.0	6.9	21.2	12.2		0.0	10.3	96.2	509

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**INSTRUCTIONAL SETTING**

<b>PARENTAL CONTACT*</b>	
	Percent

Some teacher/administrator data are not collected at the school level.

## SCHOOL DISTRICT FINANCES

### TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

### EXPENDITURE BY FUNCTION 2007-08 (Percentages)

REVENUE BY SOURCE 2007-08				EXPENDITURE BY FUND 2007-08			
	District	District %	State %		District	District %	State %
Local Property Taxes	\$114,265,925	75.2	58.7	Education	\$118,459,078	69.9	71.5

				TOTAL	\$169,467,698		

OTHER FINANCIAL INDICATORS				
	2006 Equalized Assessed Valuation per Pupil	2006 Total School Tax Rate per \$100	2007-08 Instructional Expenditure per Pupil	2007-08 Operating Expenditure per Pupil
District	\$228,016	3.88	\$6,780	\$11,189
State	**	**	\$6,103	\$10,417

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.  
**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.  
**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.  
**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.  
**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAT (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS FOR READING AND MATHEMATICS

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

## 2009 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	Yes	2009-10 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2009-10 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP
<b>State AYP Minimum Target</b>	95.0		95.0		70.0			70.0			90.0		78.0

**Four Conditions Are Required For Making Adequate Yearly Progress (AYP):**

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2008.

\*\* Safe Harbor Targets of 70.0% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

**LINCOLN SCHOOL  
SCHOOL IMPROVEMENT PLAN  
2009-10**

Based on the 2009 Illinois State Achievement Test (ISAT), Lincoln School continues to make progress in reading and math. We set high expectations for our students, believing that all students can achieve at high levels. The information provided here is a brief summary of the goals included in the Lincoln School Improvement Plan for 2009-10.

**Target Areas for Student Improvement**

- **READING:** In 2009, 88.6% of third grade students, 88.2% of fourth grade students and 89.4% of fifth grade students met or exceeded state standards in reading, reflecting a 1.8% improvement in overall scores from 2008. For this year, we have set a goal of 91% of third, fourth, and fifth graders to meet or exceed state standards in reading as measured by the 2010 ISAT reading test. All subgroups will meet the minimum testing standard of 77.5%.
- **MATH:** In 2008, 95.7% of third grade students, 96.4% of fourth grade students and 92.4% of fifth grade students met or exceeded state standards in math, registering 1% drop in scores from 2008. For this year, we have set a goal of 96% of third, fourth, and fifth graders to meet or exceed state standards in math as measured by the 2010 ISAT math test. All subgroups will meet the minimum testing standard of 77.5%.

**Rationale for Target Selection**

- **READING:** After reviewing school and District data from ISAT, IAA, local assessments, and Curriculum Based Measures, the School Improvement Team has decided to target reading comprehension and reading strategies, especially related to non-fiction, in order to improve overall reading scores. With increased emphasis on these skills, we expect to see continued improvement in Extended Response scores.
- **MATH:** After reviewing school and District data from ISAT, IAA, and local assessments, the School Improvement Team has decided to focusing on measurement and number sense while continuing to improve problem-solving skills, communicating mathematical thinking in writing and measurement in order to improve overall math scores.

**Strategies for Improvement**

- Teachers will benchmark all students three times a year in reading comprehension and fluency and closely monitor the progress of at risk students.
- ELL students will participate in small group literacy instruction with increased emphasis on vocabulary development and comprehension strategies.
- Specialists will model lessons in classes related to extended responses to reading comprehension strategies and math problem solving.
- At-risk students in reading will focus on improving strategies used with non-fiction text in targeted intervention groups.

**Professional Development Opportunities**

- Teachers will participate in professional development opportunities provided by District 200 such as Inservice Days and training sessions related to School Improvement Goals. Special attention will be given to comprehension strategies, Project CRISS strategies, measurement, number sense, extended response to reading and math problem solving.
- Teachers will engage in professional dialogue to improve and spiral graphic organizers used in extended response to reading and math problem solving.
