**SCHOOL**  
**REPORT**  
**CARD**

**GRADES : K 1 2 3 4 5**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

**RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION**

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
<b>School</b>	74.1	4.2	9.8	7.5	0.0	4.4	17.7	11.7		0.0	12.4	96.1	429
<b>District</b>	75.0	7.0	10.6	4.3	0.0	3.1	20.5	7.4		0.9	12.5	95.2	13,299

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**INSTRUCTIONAL SETTING**

<b>PARENTAL CONTACT*</b>		<b>STUDENT-TO-STAFF RATIOS</b>			
	Percent	Pupil- Teacher Elementary	Pupil- Teacher Secondary	Pupil- Certified Staff	Pupil- Administrator
<b>School</b>	100.0	--	--	--	--

				TOTAL	\$169,467,698		

OTHER FINANCIAL INDICATORS				
	2006 Equalized Assessed Valuation per Pupil	2006 Total School Tax Rate per \$100	2007-08 Instructional Expenditure per Pupil	2007-08 Operating Expenditure per Pupil
District	\$228,016	3.88	\$6,780	\$11,189
State	**	**	\$6,103	\$10,417

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

## 2009 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	Yes	2009-10 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2009-10 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP
<b>State AYP Minimum Target</b>	95.0		95.0		70.0			70.0			90.0		78.0	
<b>All</b>	100.0	Yes	100.0	Yes	93.0		Yes	97.2		Yes	96.1	Yes		
<b>White</b>	100.0	Yes	100.0	Yes	97.6		Yes	100.0		Yes				
<b>Black</b>														
<b>Hispanic</b>														
<b>Asian/Pacific Islander</b>														
<b>Native American</b>														
<b>Multiracial /Ethnic</b>														
<b>LEP</b>														
<b>Students with Disabilities</b>														
<b>Economically Disadvantaged</b>														

**Four Conditions Are Required For Making Adequate Yearly Progress (AYP):**

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2008.

\*\* Safe Harbor Targets of 70.0% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Based on your school's improvement plan, your school and district are providing information on areas of success and areas for planned improvement below. The information below is taken from Longfellow's School Improvement Plan. A complete copy of the plan is available for parent review in the school office.

### **Target Areas for Student Improvement and Measures of Achievement**

Specific areas of student learning, attitude or behavior that are targeted for improvement as a result of an analysis of school demographic and test data, for example:

- Increase teacher and staff independence using multiple data to inform instruction related to students who are scoring below standards and scoring on the CUSP, resulting in an increase in overall scores by 1% in math and reading as measures by the ISAT.
- Better triangulation of data for CUSP students and students scoring below meets will increase their performance by 2% in reading and math as measured by the ISAT.

### **Rationale for Target Selection**

The rationale is based on an analysis of data obtained from such sources as test scores, attitudinal inventories, surveys or questionnaires. This data is reviewed by the school improvement team and presented to the staff for analysis.

- On the 2008 3<sup>rd</sup> grade reading ISAT test; 89% of the 3<sup>rd</sup> grade students scored in meets or exceeds
- On the 2008 3<sup>rd</sup> grade math ISAT test; 96% of 3<sup>rd</sup> grade students scored in meets or exceeds
- On the 2008 4<sup>th</sup> grade reading ISAT test; 94% of the 4<sup>th</sup> grade students scored in meets or exceeds
- On the 2008 4<sup>th</sup> grade math ISAT test; 98% of 4<sup>th</sup> grade students scored in meets or exceeds
- On the 2008 5<sup>th</sup> grade reading ISAT test; 90% of 5<sup>th</sup> grade students scored in meets or exceeds
- On the 2008 5<sup>th</sup> grade math ISAT test; 92% of 5<sup>th</sup> grade students scored in meets or exceeds
- 53% of our LEP (limited English proficient) subgroup met or exceeded state standards on the ISAT reading test
- 67% of our SES (low socio economic status) subgroup met or exceeded state standards on the ISAT reading test
- 81.8%% of our SES (low socio economic status) subgroup met or exceeded state standards on the ISAT math test
- 68.4% of our LEP (limited English proficient) subgroup met or exceeded state standards on the ISAT math test

### **Strategies for Improvement**

Strategies are specific activities and actions that are expected to result in the achievement of the improvement targets.

- Teachers and Specialists will use [AIMSWeb](#) and ISEL to benchmark students quarterly and chart their progress.
- Use of RTI (Response to Intervention) procedures and concepts for students to ensure high levels of learning for all students.
- Teachers will participate in a data dive and ongoing workshops to review all available assessment data for their students and learn to plan for each student using multiple sources of assessment data
- Identify at risk readers and provide support through the reading department.
- Use FASST Math program in the classroom with whole group or individual as RtI intervention
- Administer off level local assessment tests for LEP students when appropriate to gather level data
- An after school club developed in conjunction with World Relief will be used to provide support for students affiliated with World Relief to provide extended learning opportunities

### **Professional Development Opportunities**

Professional development opportunities must contribute to the achievement of the school improvement goals.

- Building in-service days, staff meetings, and team meetings will be devoted to working with teachers on training including; FASST Math, AimsWeb, Using Data to Inform Instruction, math and reading extended response, and creating a glossary of math and reading vocabulary terms related to the ISAT
- NAMI Presentation for working with students and families with mental illnesses, IRC Presentation for research based strategies in working with ELL students
- Ongoing training provided to staff on updated technology including Lexia, Nettekker, Study Island, United Streaming, and Scantron capabilities
