REPORT
CARD

GRADES : 9 10 11 12

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

ACT ASSESSMENT: GRADUATING CLASS OF 2009 *

The number and percent of students taking the ACT are no longer reported since virtually every eleventh grade student takes the ACT as part of the PSAE.

* Includes graduating students' most recent ACT Assessment scores from an ACT national test date or PSAE testing. Excludes the scores of students who took the test with special accommodations. State averages for ACT data are based on regular public schools and do not include private and special purpose schools.

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

IAA scores in the Progressing and Attaining performance levels count the same, respectfully, as scores on other state assessments that meet or exceed Standards.

PSAE PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the average scores and also the percents of student scores meeting or exceeding standards in reading, mathematics, and science on PSAE.

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) - Average Scores

PSAE scores range from 120 to 200.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

ILLINOIS ALTERNATE ASSESSMENT (IAA)

The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate. The table below presents the percentages of student scores in each of four performance levels.

- Level 1 -- Entry - Students do not demonstrate knowledge and skills in the subject through links to the Illinois Learning Standards.
- Level 2 --Foundational - Students demonstrate emerging knowledge and skills in the subject as linked to the Illinois Learning Standards. Students exhibit an ability to reproduce knowledge and skills.
- Level 3 -- Satisfactory - Students demonstrate basic knowledge and skills in the subject through links to the Illinois Learning Standards. Students exhibit an ability to associate their knowledge and skills.
- Level 4 -- Mastery - Students demonstrate knowledge and skills in the subject through links to the Illinois Learning Standards. Students exhibit the ability to apply their knowledge and skills.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2008.

** Safe Harbor Targets of 70.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

To the Wheaton Warrenville South High School Community:

Target Areas for Student Improvement and Measures of Achievement

- 80.1% of students in the ALL student subgroup met or exceeded state standards in reading
- 75.1% of students in the ALL student subgroup met or exceeded state standards in mathematics

- 51.0% of the students in the subgroup Hispanic met or exceeded state standards in reading
- 42.9% of the students in the subgroup Hispanic met or exceeded state standards in mathematics
- Reading achievement as measured by the PSAE (state assessment) is the primary focus for all subgroups to a minimum proficiency level of 77.5%
- Mathematics achievement as measured by the PSAE (state assessment) is the primary focus for all subgroups to a minimum proficiency level of 77.5%

Rationale for Target Selection

- Analysis of the PSAE data by the School Improvement Team, the RtI Task Force and faculty groups
- Established targets set by the state and NCLB legislation
- Subgroup performance on the state assessment

Student Strategies and Activities for Improvement

- Provide direct reading instruction to identified subgroup students
- Provide an Early Intervention program for students with multiple failures
- Provide tutorial services in the Math Resource Center
- Provide the two-period Block Algebra course
- Implement a system to familiarize students with appropriate testing strategies
- Provide supervised study hall opportunities for Students with Disabilities

Professional Development Strategies and Activities

- Provide Understanding by Design training for all teachers
- Provide opportunities for teachers to write common finals
- Provide training to all staff in Project CRISS learning strategies to facilitate implementation of strategies into classroom instruction
- Analyze the consistent use of critical content in all curricular areas
- Provide training to develop an appreciation for different cultures and how the cultures positively support our school community
- Provide an RtI overview and analyze Tier 1, Tier 2, and Tier 3 options

Parent Involvement Strategies and Activities

- Provide positive communication to parents
- Provide interpreter to help bridge the language gaps between school and parents

I expect that the students and staff at Wheaton Warrenville South High School, as well as parents and community members, to continue to preserve and improve our reputation of excellence.
